PROFESSIONAL SUMMARY

Self-driven Computer Science engineer with strong full-stack development capabilities and hands-on experience in creating high-performance, scalable web applications. Proficient in modern web technologies with proven ability to translate UI/UX designs into responsive interfaces and build robust backend logic. Experienced in debugging complex issues, optimizing performance, and delivering reliable end-to-end solutions. Collaborative team player with adaptability in fast-paced environments and passion for emerging technologies.

TECHNICAL SKILLS

Frontend: React.js, HTML, JavaScript, Tailwind CSS, Redux

Backend: Node.js, Express.js, RESTful APIs, MongoDB

Tools & Databases: Git & GitHub, Firebase, SQL

EDUCATION

SIES Graduate School of Technology

B.E. Computer Science Engineering | CGPA: 8.98/10

– *Relevant Coursework: Web Development, Database Management Systems, Software Engineering*

Mumbai, Maharashtra

2022 – 2026

PROFESSIONAL EXPERIENCE

Candor International

Web Developer Intern

Remote

Dec 2025 – Feb 2026

- Modernized company website UI/UX by redesigning layouts and implementing responsive design patterns.
- Enhanced website responsiveness and usability across multiple devices and browsers.
